

For Johnson Creek Public Library Patrons:

Each individual library has its own ending date, and last day to check out materials. (varies from October 2025 –January 2026)

Johnson Creek's last day to check out materials is January 2, 2026

Hoopla Update

Johnson Creek Public Library is committed to fiscal responsibility and ensuring sustainable services for all patrons. In response to the growing demand for digital materials both at our library and throughout the library system, we have conducted a comprehensive review of digital borrowing trends and performed a budget analysis.

We are focusing our funding on the continued development of our robust digital collections within the [Libby app](#), which includes access to digital books, audiobooks, and magazines. We will be discontinuing the hoopla service on **January 2, 2026**.

We appreciate your understanding and continued support. For any questions or assistance in accessing our digital resources, please do not hesitate to contact us at 920-699-3741.
